Dear Valued Customer

There has been a lot of discussion regarding the bank failures that took place over the weekend which is unfortunate. Both banks were not Community Banks but catered to Venture Capital/Start-up Technology companies or Cryptocurrency customers.

Here at Commercial Bank, we have a traditional banking model and a diversified customer base. Our customer's deposits are FDIC (Federal Deposit Insurance Corporation) insured up to \$250,000 and with proper titling, may qualify for more. Commercial Bank is well-capitalized and has sufficient liquidity to meet all your needs.

We value your business and are grateful for the trust and confidence you place in us each day here at Commercial Bank. If you have any questions, please do not hesitate to speak with anyone on our team.

Sincerely,

Bradley R. Purcell  
President
